

Report to Wells Town Council 6th September 2025
from Peter, Your North Norfolk District Councillor

Joice

I was so very sorry to hear that Joice had passed. A huge loss to her family, Wells and everybody who knew her.

Local Government Reorganisation

Breckland D.C., Broadland D.C. Gt Yarmouth
DOC, Kings Lynn and West Norfolk, North Norfolk and Norwich City
have all voted for 3 Unitary Councils to replace the existing 8.

The 3 unitary council model is also supported by Norfolk M. P.s, Steffan
Aquarone (LD) George Freeman (C) Terry Jermy (L) Clive Lewis (L)
Robert Lowe®, Alice MacDonald (L) and James Wild (C)

On the 24th Sept Full Council at NNDC the proposal for 3 unitary councils
was endorsed by a large majority. Council did not vote along party lines
with a number of Conservatives voting for the motion.

The report advising council was 500 pages long. This can be found in the
agenda report pack on the NNDC website. The councils did not have the
authority to vary the district boundaries so that it was necessary for Wells
& Holkham to go East.

The Government has the final decision and may alter the suggested
boundaries or indeed not work with this model or either of the other 2.

Big changes are coming to how council services are run in Norfolk.
